# TRADE FAIR TERMS AND CONDITIONS

Last updated November 2009

## 1. Registration

The registration represents a legally binding and irrevocable statement of intent on the part of the exhibitor to participate. Conditional registrations shall be considered invalid. Deletions, additions or amendments to the application form and in the Standard Trading Terms shall be invalid. By submitting an application, the exhibitor acknowledges the Terms and Conditions of Trade in full. The trade fair terms and conditions shall also apply analogously with regard to ancillary services e.g. additional commissioned work such as the erection and dismantling of the exhibition stand, hiring of equipment, provision of electricity, water or other services and facilities.

## 2. Hiring of Exhibition Stands

The exhibitor is legally bound to take part in the trade exhibition on receipt of the completed registration form (post, fax, e-mail etc.). The rent specified on the registration form shall apply for the duration of the event. Every square metre or part thereof shall be charged in full. All prices are quoted exclusive of VAT and other taxes (stamp duty on legal transactions, advertisement tax etc.)

## 3. Admission and Allocation of Site

The organisers are not obliged to accept a registration application. The organiser has an exclusive right to decide upon the acceptance of an exhibitor's application and the allocation of exhibition space and reserves the right at any time, without giving a reason, not to accept such an application. The organiser alone is responsible for the allocation of space in the interest of the trade fair. The registration and thereby the acceptance of the registration comes into effect with the return of the confirmation of the said registration. Domestic and foreign exhibitors whose exhibited goods correspond to the subject of the event may be admitted. Agents and importers can exhibit for the companies they represent. In order for the application for registration to be considered a list of the goods to be exhibited corresponding with the official goods listing must be provided with the application. Goods other than those included in the 'List of Goods' may not be exhibited. The exhibitor undertakes to exhibit the registered products without restriction throughout the duration of the fair. It is not possible to close the stand or to commence its dismantling before the end of the fair. A failure to adhere to this requirement will result in a duty to compensate the organisers the organisers. The acceptance of an application for registration (the admission of the exhibitor to the trade fair) shall not give rise to a right to admission to other fairs (acceptance of another fair registration application). In the interests of the event (fair), the organiser shall be entitled to allocate a site different from that in the confirmation of admission and allocation of site (acceptance of the application) and to alter the size of the site, to relocate or close entrances and exits to the exhibition centre and the halls, and to make any other structural alterations. If as a result the stand rent is reduced, the difference shall be credited or repaid to the exhibitor at the organiser's discretion. The organiser shall not entertain any additional claims, in particular claims for damages. If for whatever reason the organiser is unable to provide the originally allocated stand, the exhibitor shall only be entitled to a claim for repayment of the stand rent actually paid.

## 4. Withdrawal of the Application for Registration

If the exhibitor cancels or withdraws his application, the following cancellation charges shall apply:  
Up to eight weeks before the start of the fair – 40 % of the stand rent. Less than eight weeks before the start of the fair – 100 % of the stand rent. In both cases all taxes, contributions, fees and extra costs will also have to be paid. The cancellation charge is agreed as flat rate for damages, independent of any attachment of blame or duty to pay, and the exhibitor waives any right to a reduction of the claim for damages, in particular to judicial arbitration, for whatever reasons including those under the heading of the balancing of advantages. The exhibitor accepts that the cancellation fees also have to be paid in the eventuality that the organiser manages to let or sell the trade stand to a third party. The enforcement of damages which exceed the agreed cancellation fee shall remain unaffected.

## 5. Invoicing and Terms of Payment

Together with the notification of admission (acceptance of the registration application), the exhibitor shall receive an invoice, payable in full six weeks before the beginning of the event at the latest, without any deductions. Invoices issued after this date shall be payable immediately. Prompt payment of the invoice is a condition for the handing over of the allocated stand. If the invoiced amount has not been received by the organiser by the due date, the latter reserves the right, without giving notice, to dispose of the allocated stand as he/she sees fit. In such a case point 4 of these conditions shall apply analogously. Complaints regarding the invoice shall be submitted within eight days of receipt. After this time the invoice is deemed to be accepted and no further complaints shall not be considered. In the case of payment default, a charge of 12% interest on arrears per annum together with a fee of EUR 7.27 plus VAT per reminder shall be payable from the due date. The exhibitor shall not be entitled to postpone, refuse or set off payment of due invoices on the grounds of counter claims of whatever kind.

### 5a. Fees, Charges and Taxes

All fees, charges and taxes, in particular VAT and tax on advertising shall be borne by the exhibitor. All prices specified are net prices, except taxes, surcharges and fees.

### 5b. Registration fee, internet fee, costs

Subject to stand size the registration and internet fees include a quota of exhibitor parking cards and exhibitor passes, as well as an obligatory entry in the exhibitor directory, and in the show catalogue or show journal and the internet catalogue. The fee also includes a standard entry in the hall information. The exhibitor is obliged to pay the registration and internet fees. In the event of a default in payment, the exhibitor undertakes to refund the organiser for expenses for reminders and collection costs, whereby it is agreed, that the maximum rates pursuant to Regulation BGBl No. 141/1996, or any regulation replacing this, shall apply. It shall be irrelevant whether the debt recovery proceedings are carried out by the organisers themselves or by a third party company. Costs to be decided or which have already been decided by the court, regarding the cost of a law suit and enforcement of the aforementioned, are unaffected by the above.

## 6. Cancellation of Site Allocation

The organiser shall be entitled to cancel the allocation of site (admission to the fair, acceptance of the offer) if:

1. the exhibitor fails to perform his payment obligations on time, or
2. debt restructuring, bankruptcy or liquidation proceedings have in the meantime been commenced or have become pending with respect to the exhibitor, or
3. outstanding debts from previous fairs are still unpaid, or
4. the exhibits do not or no longer correspond to the subject of the fair. In such cases, point 4 shall apply analogously. This condition shall have validity for any single one of points 1 - 4.

## 7. Force Majeure / Acts of God

If the event cannot be held as a result of force majeure, strikes, political events or other important reasons, the exhibitor shall not be entitled to make any claims for damages of whatever kind against the organiser. It is the organisers' duty to inform the exhibitors without delay that the trade fair will not take place.

## 8. Sales Regulation

The sale and/or the supply of goods of whatever kind, including samples, is forbidden at fairs restricted to trade visitors. At trade fairs open to the public, the exhibitor shall be entitled to sell directly and to supply the goods to the purchaser immediately, subject to the relevant legal provisions. The exhibitor agrees not to advertise or sell goods in a loud and vociferous manner. Failure to comply with the trading regulations, shall entitle the organiser to demand at short notice a suspension of direct sales and supplies, and to closure of the stand.

## 9. Exhibitor Identity Cards, exhibitor parking cards

In accordance with their stand confirmation, all exhibitors receive free exhibitor passes for themselves and their stand personnel. Extra exhibitor passes can be purchased. Subject to stand size the registration and internet fees include a free quota of exhibitor parking cards, the size of which is determined by the organisers. The cards are valid for the entire duration of the event (including assembly and dismantling). Extra exhibitor parking cards can be purchased.

## 10. Erection, Dismantling and Design of Stands

The exhibition sites are supplied without both walls and equipment. Exhibitors' stand structures shall not exceed a height of 250 cm. Higher structures shall only be permitted after submission of plans and with the written consent of the organiser. Relevant construction plans shall be submitted to the project management at the latest two months before the start of the trade fair. For 2-storey stand construction, a surcharge of 50% per square metre of area built on shall be applied to the site charge. For safety reasons, structures made of glass may only be placed within borders of the site at a minimum distance of 50 cm. This rule shall not apply to safety glass. If the stand is erected by the exhibitor, nailing, drilling and adhesive substances may not be used on PVC-coated walls. Damage shall be charged at new replacement prices. Small pins may be used on painted walls, but they shall not penetrate the wall. The painted walls may be wallpapered subject to the condition that the exhibitor shall remove the wallpaper immediately after the event. If the wallpaper is not removed, the work shall be carried out by the organiser and charged in the final invoice. In the event of damage, the cost of new replacements will be charged. The exhibitor shall comply exactly with the erection and dismantling times set out in the information leaflet. Erection of the stand facility shall commence at the latest at 12.00 (midday) on the day before the start of the fair. If the rented site has not been occupied by this time, and if no notification has been received, the organisers reserve the right to dispose of the site at their without any further notification. In such a case the entire stand rent including obligatory catalogue entry shall be charged. Erection work shall be finished by 18.00 on the last construction day. Exceeding the erection/dismantling time is not permitted. In such a case no claim for damages of whatever kind shall be entertained. If dismantling time is exceeded, the organiser shall be entitled to arrange for the stand structures to be cleared and stored at the exhibitor's expense and risk. After dismantling, the stand/site shall be returned to its original condition. The exhibitor shall pay the organiser for any damage caused through incorrect handling.

## 11. Technical Stand Equipment/Facilities

Electricity, water and other technical connections are available for payment of connection and use charges. All electrical appliances, facilities and installations must conform to the currently applicable ÖVE and to local and event regulations and conditions. The installation shall be carried out by a duly licensed firm of electrical contractors. The final connection and testing shall be carried out by the licensed Trade Fair electrician.

### 11a. Exhibiting of Machines

Exhibited machines must bear a CE test mark and correspond with the machine safety regulation – MSV (306). Machines, safety components or parts thereof that do not correspond with the MSV, must visibly bear a sign clearly indicating this fact.

## 12. Liability and Claims for Damages

The organiser accepts no liability whatsoever for loss or damage to exhibition goods or stand equipment brought or left behind by the exhibitor. The organiser is not obliged to enter into any insurance agreements of any kind. The organiser shall accept no liability for vehicles parked at the fair venue by the exhibitors, their employees or agents. For their part, the exhibitors shall be liable for any damage to persons or property caused by themselves, their employees or agents, or by their exhibition goods or equipment. The organiser shall be held to be non-actionable for damages. During erection and dismantling time, every exhibitor shall be obliged to exercise an increased degree of vigilance towards the security of his goods. Valuable and easily movable exhibition goods shall be removed from the stand outside of the hours of opening (particularly overnight) and stored at the exhibitor's own risk. To this end a safe depository is provided on site by the organiser where such goods can be stored for a separate payment. The organiser shall not accept particular deliveries addressed to the exhibitor and shall not be liable for any losses or for incorrect or delayed delivery. The fair forwarding agent shall store exhibition goods and packaging at the exhibitor's expense and risk. It is forbidden to spend the night in the halls or the open spaces. Staying overnight in the halls or the open areas of the fair complex is not permitted. The organiser shall accept no liability for damage to property, health or other damage of whatever kind incurred by the exhibitor himself, his employees or any third person for whatever reason in connection with the preparation, holding or handling of an exhibition. The organiser shall not be liable for lost profit. This exclusion of liability shall not apply to damage caused deliberately or recklessly by the organisers or their employees with power of representation. The injured party shall be responsible for proving that the above condition has been met. Any claims by the exhibitor shall be notified immediately in writing to the organiser, failing which they shall be deemed to have been forfeited. No liability shall be accepted for incorrect advertisements or entries in the official exhibitor index and/or other printed fair material (e.g. printing errors, formal errors, incorrect classification, omission, etc.).

### 12a. Fair Insurance

No insurance is included in the stand rent for the stand itself, for any items brought into the stand or any other associated pieces of equipment. The separate specific written terms and conditions of any such insurance taken out with the organiser or an Insurance Company shall apply.

## 13. Advertising Material Provided by the Organisers

At the request of the exhibitor, the organiser shall provide advertising material under the conditions and terms (prices) specified. This shall enable the exhibitor to inform his customers of his participation at the event and to issue invitations to the fair (adhesive labels, invitation cards).

## 14. Exhibitor Advertising at the Fair Site

Banners, company signs, advertising signs and other advertising material shall not be mounted or distributed outside the stand, shall not protrude into the passageways and shall not exceed a height of 250 cm. The mounting of advertising panels, posters or other advertising material or the distribution of advertising material outside the stand, in particular in the car parks, shall only be permitted after special agreement with the organiser and at an additional specific charge. In the event of acts of unfair competition against other exhibitors, the organiser shall be entitled to close the stand immediately, in which case no reduction of the stand rent or other costs shall be entertained.

## 15. Special Events – Presentations and demonstrations

All special events and presentations of any kind at the stands or on the fair site shall require the organiser's written consent. Despite having already granted consent, the organiser shall be entitled to restrict or forbid presentations that cause noise, dirt, dust, exhaust fumes and the like, or impair the ordinary progress of the fair in any other disturbing manner. Acoustic or audio-visual presentations at the fair stand shall be arranged in such a way that the noise level does not exceed 40 dBA as measured at the edge of the stand. If a volume is not brought within the permitted limit, immediately upon order from the fair management, the management reserves the right to take appropriate measures – if necessary through closure of the stand. The exhibiting company in question shall itself be responsible for registrations with the AKM (Austrian performance royalties society).

## 16. Filming and Photography

The organiser shall be granted the right to photograph and film within the fair site and to use such material for his own or for general publications. In this regard, the exhibitor waives all rights to object arising under laws relating to the legal protection of commercial property, in particular copyright law and the right of complaint to the Office of Fair Trading (UW/G). The exhibitor shall not be permitted outside his own stand to photograph, film, make drawings or other illustrations of exhibition articles and exhibited products, or to arrange for such to be made.

## 17. Cleaning

The organiser shall be responsible for the cleaning of the site and the passageways in the halls. The exhibitor shall be responsible for cleaning the stand. The cleaning organisations authorised by the organiser will clean the stand at the request and expense of the exhibitor. Packaging material and waste left or deposited by the exhibitor in the passageways or around the stand shall be removed at the exhibitor's expense. Hazardous and problematic waste must be removed by the exhibitor himself.

## 18. Transport and Parking

Motor vehicles of whatever kind shall not be driven in the fair halls. In the case of special transports, the organiser's written consent shall be obtained in good time. At the end of erection time, all vehicles shall without exception be removed from the entrances, drives, fire-brigade areas and press car parks. During the fair, lorries of over 3.5t. may not be parked in the fair site car parks. Any failure to comply with the above shall be treated as trespass, and the organiser shall be at liberty to have unlawfully parked vehicles removed at the vehicle owner's expense.

## 19. Stand security

During the fair, including the erection and dismantling times, the organiser shall provide general surveillance (external guarding of the exhibition halls, guarding of fair entrances and periodic passage of the security personnel through the halls). The exhibitor shall have no right to demand the provision of special stand surveillance. Stand surveillance shall be ordered from the organiser separately and shall be charged separately. If the exhibitor has the stand guarded by an outside security company during and outside opening times, such surveillance shall be notified to the organiser in writing.

## 20. Right of Lien

The organiser shall enjoy, with respect to all outstanding debts of whatever kind, a contractual and statutory right of lien on all objects and exhibition equipment brought to the stand by the exhibitor. The exercise of this right of lien shall not require the organiser to give prior notice to the exhibitor, or the prior instigation of legal proceedings. Should the right of lien be invoked, the objects and equipment may be taken from the stand by the organisers and shall stored at the exhibitor's expense and risk. The organiser has a right to dispose of these goods at normal market prices (and under the usual terms of trade) and to offset the proceeds against any outstanding debts.

## 21. Infringement of the Fair Conditions, Infringement of the Law

The fair conditions and the relevant legal regulations shall be strictly complied with. The same shall apply to all fire prevention regulations and regulations imposed by the public authorities responsible for events. The infringement of and/or failure to comply with these fair conditions, the contractual agreements and the infringement of legal regulations, shall entitle the organiser to close and clear the allocated fair stand at the exhibitor's expense without judicial process. Instructions and orders issued by the organiser or his agents shall be complied with by the exhibitor, his staff and agents without exception. This shall apply in particular to the car parks belonging to the fair site.
